# METAV/2020

DÜSSELDORF, 23 – 26 MARCH 2021 / POWER YOUR BUSINESS

21. International Exhibition for Metalworking Technologies

## METAV SUPPORTS STARTUPS

Be part of our international startup area at **METAV 2020 reloaded** in Düsseldorf one of the leading trade fair for metalworking technologies. **METAV reloaded** will take place from **March 23 - 26, 2021** in **Düsseldorf**. Take the chance of our funded offer for startups and push your business forward!

The first time in the history of **METAV reloaded** we are organising an area for international young innovative companies. Become a part of the joint stand to present your products and innovations. A trade show is a powerful platform to meet new customers, to reach out to your existing clients, to build a strong and reliable brand and of course – to seal a deal.

Do not worry about organising a booth and creating a nice working atmosphere we will take care of this for you. With an effective strategy **METAV reloaded** will be a very profitable choice.
