FOR IMMEDIATE RELEASE**

**MEDICAL FAIR ASIA 2020 postponed to 9 – 11 December 2020**

**Singapore, 5 May 2020** - The 13th edition of MEDICAL FAIR ASIA originally scheduled for 9-11 September 2020 will be postponed to the last quarter of the year; 9-11 December 2020. The region's leading medical and healthcare trade fair focusing on Hospital, Diagnostic, Pharmaceutical, Medical & Rehabilitation Equipment & Supplies is organised by Messe Düsseldorf Asia.

Rescheduling the trade fair was necessary in view of the continuing fight against COVID-19 which includes ongoing travel restrictions, tighter social distancing measures; suspension of all events and mass gatherings and most recently, the extension of the circuit breaker measures in Singapore as announced by Singapore's Multi-Ministry Taskforce.

Mr Gernot Ringling, Managing Director, Messe Düsseldorf Asia, said: "In close consultation with the MEDICAlliance global network of medical trade fairs – of which the exhibition is a part of - the decision to postpone MEDICAL FAIR ASIA was not one we have taken lightly as our partners, exhibitors and teams have worked extremely hard thus far. However, as we consider the latest developments globally and in Singapore, we feel it is in the best interest of all involved to move the exhibition to the end of the year, as this will allow for maximum participation from regional and international businesses."

"We are extremely grateful for the support and understanding of our partners and exhibitors as we stay committed to take every possible measure to carry over the successful status of the trade fair to the new dates. We look forward to welcoming the industry in December with the same trusted MEDICAL FAIR ASIA brand they have come to know, with qualified business visitors and a top-quality sourcing, networking and thought-leadership platform." he added.

The MEDICAL FAIR ASIA team will reach out to all industry partners, confirmed exhibitors and participants regarding event logistics and planning. Participants may also contact [medicafair-asia@mda.com.sg](mailto:medicafair-asia@mda.com.sg) for assistance.
