Press Release

Medical Fair India 2026 Concludes 31st Edition in New Delhi with Strong Global Participation and Powerful Industry Dialogues

New Delhi, India | February 2026 — The 31st edition of **Medical Fair India**, organised by Messe Düsseldorf India, concluded successfully at Bharat Mandapam (Pragati Maidan), New Delhi, reaffirming its position as India's leading trade fair for hospitals, health centres and clinics.

Spread across **15,000 square meters of gross exhibition space**, the three-day exhibition hosted **18,279 visitors** and **302 exhibitors** from across the globe, bringing together healthcare leaders, policymakers, innovators, manufacturers, and practitioners under one roof. The event also welcomed **450 conference delegates**, fostering high-level knowledge exchange and industry collaboration.

Strong International Presence & Industry Representation

Medical Fair India 2026 featured dedicated Country Pavilions from **China, Republic of Korea, Taiwan, and the United States of America**, further strengthening global partnerships and cross-border collaboration.

Participating countries included **China, Czech Republic, Germany, Hong Kong, India, Japan, Malaysia, Netherlands, Republic of Korea, Singapore, Taiwan, Thailand, UK, USA** showcasing the latest advancements in medical technology, diagnostics, healthcare IT, hospital infrastructure, rehabilitation, and digital health solutions. Special pavilions showcased the entire spectrum of healthcare, **Make in India Pavilion** brought forth domestic manufacturing prowess, while the **Clin Lab India & DIAGNOSTICA (in vitro Diagnostics Pavilion)** focused on the latest advancements in In-Vitro Diagnostics, **Rehaindia Pavilion** drove rehabilitation innovation, orthopedic and assistive aids showcase.

Grand Inauguration with Eminent Dignitaries

The exhibition was inaugurated in the presence of distinguished dignitaries including:

- **Shri Raja Iqbal Singh ji, Mayor, Government of Delhi**
- **Dr. Stephan Keller, Mayor, City of Düsseldorf**

ecosystem. The discussions fostered cross-sector collaboration across biotechnology, chemical sciences, precision engineering, AI, blockchain, and cold-chain technologies — strengthening India's journey toward a self-reliant diagnostics ecosystem.

Debut of the Healthcare Leadership & Nursing Excellence Summit

A key highlight of this edition was the launch of the **Healthcare Leadership & Nursing Excellence Summit**. The summit brought together hospital procurement managers, doctors, surgeons, nurses, physicians, and nursing students on a unified platform.

Session themes included:

- Advancing Patient Safety Through Nursing Leadership
- Designing India's Future-Ready Healthcare Infrastructure
- Reimagining Healthcare Procurement & Supply Ecosystems

The strong participation from nursing institutions and practicing professionals underscored the growing emphasis on workforce development and patient safety.

Prominent speakers at these conferences included **Dr. Ganeshkumar Parasuraman (Scientist E & Head – Division of NCD, ICMR-NIE)**, **Dr. Vinita Srivastava (National Health Authority, Ministry of Health & Family Welfare, Government of India)**, **Dr. Latha Venkatesan (Professor-cum-Principal, College of Nursing, AIIMS New Delhi)**, **Dr. Sangeeta Pahuja Sindhwani (Department of Immunohaematology & Blood Transfusion, Lady Hardinge Medical College & Associated Hospitals, New Delhi)**, and **Dr. Manas Kalra (Senior Consultant – Paediatric Haematology Oncology & BMT, Sir Ganga Ram Hospital, New Delhi)**.

Industry Perspective

Commenting on the success of the show, **Mr. Ajay Kumar Gulati, General Manager, Messe Düsseldorf India**, said, "The overwhelming response to the 31st edition of Medical Fair India reaffirms the industry's confidence in this platform. The strong international participation, focused discussions on self-reliance in medical devices and diagnostics, and the launch of the Healthcare Leadership & Nursing Excellence Summit reflect our commitment to supporting India's evolving healthcare

ecosystem. Medical Fair India continues to act as a catalyst for collaboration, innovation, and sustainable growth.”

Strong Institutional & Industry Support

Medical Fair India 2026 was supported by **MAKE IN INDIA, Association of Indian Medical Device Industry (AiMeD), Association of Diagnostics Manufacturers of India (ADMI), Voice of Healthcare (VOH), Consortium of Accredited Healthcare Organizations (CAHO), Quality and Accreditation Institute (QAI), The Association of Healthcare Providers - India (AHPI), Global Medtech Advocacy & Advisory Forum (GMAAF), and NASSCOM Centre of Excellence – IoT & AI, Export Promotion Council for Medical Devices (EPCMD) and Andhra Pradesh MedTech Zone (AMTZ).**

“Medical Fair India continues to be a vital platform showcasing the strength and growing capabilities of India’s medical manufacturing sector. This year witnessed the participation of several new entrants alongside established exhibitors in the ‘Make in India’ Pavilion. As India’s largest international exhibition for medical devices, the show recorded participation from 14 countries, reflecting the nation’s expanding global healthcare footprint and its ability to deliver both advanced and homegrown solutions. In 2026, the event marked the ninth consecutive edition of the ‘Make in India’ Pavilion, supported by the AiMeD, highlighting indigenous innovations that are shaping the future of healthcare in India. The exhibition also welcomed a high-level German delegation led by Dr Stephan Keller, the Mayor of Düsseldorf. The India Competence Centre Düsseldorf (IKD), established by Messe Düsseldorf, the Chamber of Industry and Commerce Düsseldorf (IHK), and the City of Düsseldorf, serves as a dedicated hub to strengthen economic collaboration. The centre supports German companies entering the Indian market while assisting Indian businesses in expanding into the region. It was also a privilege to witness the presence of Shri Amit Verma, Joint Secretary, Department of Commerce, along with representation from the Export Promotion Council for Medical Devices. Their participation brought together the Government of India and key healthcare stakeholders on a common platform, fostering meaningful dialogue and positive outcomes for Brand India’s contribution to patient care and the evolving needs of healthcare providers,” **shared Mr. Rajiv Nath, Managing Director of Hindustan Syringes & Medical Devices Ltd., Forum Coordinator at AiMeD and Chairman of the Advisory Committee for Medical Fair India 2026.**

Continuing the Momentum

With strong exhibitor participation, impactful conferences, and meaningful policy-industry dialogue, Medical Fair India 2026 – Delhi edition once again reinforced its role as the definitive meeting point for India's medical and healthcare industry — driving innovation, strengthening domestic manufacturing capabilities, and enhancing global collaboration.

The next edition of Medical Fair India in Mumbai promises to build further on this momentum and continue shaping the future of healthcare in India and beyond. The show will be held in Bombay Exhibition Center from 17-19 September 2026 followed by the 33rd edition at Bharat Mandapam (Pragati Maidan), Delhi from 13-15 March 2027.
