

**International Trade Press Stand  
GIFA/METEC/THERMPROCESS/NEWCAST 2019**

Dear Sir or Madam,

For the upcoming **GIFA/METEC/THERMPROCESS/NEWCAST 2019**, the press department of Messe Düsseldorf will be setting up an **International Trade Press Stand** where you can display up to 200 copies of your trade magazines. Staff at the trade press stand will ensure that your magazines are distributed to guests at the fair and that the displays are replenished.

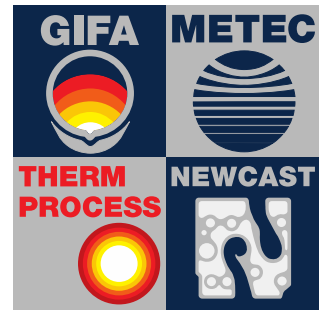

For a one-off charge of EUR 210.00 (plus 19% VAT) per title, you can display up to 200 free copies of your magazines at the trade press stand. You will be invoiced after the fair. Once the fair has drawn to a close, we regret that any remaining copies of your magazines cannot be returned. Please therefore ensure that remaining copies are collected in good time.

If you are interested in our offer, please complete the attached registration forms and email them back to us by **05 June 2019**.

All the magazines on display together with key media data will be listed in a catalogue and handed out on request to GIFA/METEC/THERMPROCESS/NEWCAST exhibitors and visitors. Please fill out the media information form and send it back to [hatzigiannidis@messe-duesseldorf.de](mailto:hatzigiannidis@messe-duesseldorf.de). The forms can also be found here:
